

The Federal Communications Commission  
445 12th Street, SW  
Washington, DC 20554

Dear The Federal Communications Commission,

I urge you to support the "Fair Share Plan." It's the best solution to current concerns with the Universal Service Fund (USF). The Fair Share Plan will ensure that consumers like me do not pay the same rate into the USF as big businesses, regardless of how little I may use long distance.

cc: Marlene Dortch, Secretary

Sincerely,

Richard Whinfield
